On Tuesday 4 May, our residents at Woodstock Residential Care Home got in the Italian spirit by creating pizza hats!

This is part of our preparation for **visiting Italy next week on our Nellsar Cruise** and we're all getting excited about it!

We used paper plates, tissue paper, card, paint and glue to create our **delicious masterpieces**.

Once we finished, we turned them into **beautiful hats** by attaching an Alice band to them so we can wear them on our heads.

"Bellissimo!"

We loved creating our pizzas!
