**Our Woodstock Residential Care Home residents celebrated Elvis's birthday last week, by holding a pub quiz!**

We had **music sing-a-long questions**, plus questions all about Elvis and his life.

Everyone enjoyed the music-themed afternoon with **shandy beer and snacks**, and loved singing along to some of his greatest hits.

Our **guitars and saxophones** were out in force!

*Remembering Elvis on what would have been his 87th birthday.*

Name that tune!
