To mark this year's Remembrance Day, our residents at Woodstock Residential Care Home enjoyed a lovely afternoon tea in honour of the armed forces and those we've lost in the war.

We **sang along to wartime songs** and enjoyed a **delicious traditional afternoon buffet** of cream scones, cheese straws, cakes, sausage rolls and jam tarts.

Everyone sat around the table and chatted about their **memories of the war**, which was a lovely way to come together for **Remembrance Day**.
