**We hosted a lovely pub afternoon on Saturday 18 September at Woodstock Residential Care Home.**

Our residents enjoyed **old pub classic songs**, as they spent the afternoon chatting away, with a few **shandies, some crisps and peanuts**.

While everybody enjoyed their refreshments and snacks, we played **games and quizzes**, including 'What animals would you find on a farm?' and 'Guess the capital of the countries'.

We then got competitive with a **tournament of darts!** Everyone had a go trying to achieve the highest score. We all cheered each other on and had such a funny afternoon.

*Wendy was our winner of the 'Woodstock Pub Dart Tournament' with 180 points! Well done Wendy!*
