**On Friday 3 September we had lots of fun and laughs at Woodstock Residential Care Home watching Ricky La Rue's drag show.**

Our residents enjoyed watching the show and everyone **sang along** and was up on their feet **dancing**.

Ricky La Rue was dressed in a gorgeous dress, a pink feather boa and a big pink hat – *looking very glamorous!*

We all had such a good time listening to some of our old favourites, including '*Knees up Mother Brown*'.

*Great fun!*

We all loved Ricky La Rue's performance
