**Colourful drag star Ricky La Rue returned to Woodstock Residential Care Home on Thursday 20 January with a fabulous performance for our residents.**

Everyone just couldn't help but **sing and dance along** to the show and we were all in awe of how beautiful Ricky looked. We sang along to some classics and enjoyed every minute!

Ricky La Rue had help from our staff, who were amazing and had everyone laughing and joining in while they performed a conga line and did the 'Dosey Doe'.

Ricky gave out **cowboy hats** as a taster of her next Cowboy-themed show, which is sure to be spectacular!

She made us smile with **lots of laughs and jokes** and we all loved her glamorous performance.

*We can't wait for her to return again in a few month's time!*

We all had such a great time!
