## **Have an Abba birthday Rosa!**

**Staff and residents at Woodstock Residential Care Home helped the lovely Rosa celebrate her 80th birthday in style on Thursday 19 November, with lots of singing and dancing!**

Rosa received lots of lovely cards and presents from family and friends, a lovely cake made especially by our own Cook, and she was in her element singing and dancing along to the **Abba themed party**.

Our staff team looked fab in **Abba fancy dress** costumes and it really made Rosa's day.
