We were all thrilled to welcome the brilliant musician Fred Clark back to Woodstock Residential Care Home on Thursday 16 September - with the sun shining!

We all enjoyed seeing Fred after such a long time and we were all up on our feet **dancing and singing** along in our garden.

Fred sang all of our favourite songs including 'Sweet Caroline' and we all had a good laugh with friends and staff at **Woodstock**.

Such a wonderful atmosphere – we can't wait for Fred to come back again!
