Sending a hug!

If there's one thing we've all missed throughout this pandemic at Woodstock Residential Care Home, it's hugging those we love.

With this in mind, our residents sent a special 'hug' to their families for **National Hug Day** this week, using our brilliant photo frame, decorated with hearts and the words 'A hug from me to you'.

Families loved seeing the pictures of their loved ones on **interactiveMe** and we had lots of fun taking them!

Hannah turns 21

Our staff helped **Team Leader Hannah** celebrate her 21st birthday in style this week at **Woodstock**.

She received a lovely selection of cards and presents from everyone, including a pretty '21st' Pandora charm, some pink gin, Prosecco, flowers and even some scratch cards!

Many happy returns Hannah, from everyone at Woodstock!

Our families loved receiving these photos
