On Thursday 20 October everyone at Woodstock Residential Care Home enjoyed getting in the spooky spirit with our Halloween-themed *'Spooky Trials and Treats'* trolley.

We had four different **boxes with creepy surprises in**, including shaving foam, cobwebs, fake spiders, bugs and jelly – *and even a surprise box that grabs your hand!*

Players had to **find little fake spiders to win tasty prizes**, with either sweets or chocolate to choose from.

There were squeals and lots of laughter as everyone got in the spirit of things. We played **Halloween music** and our staff wore witch hats. *Great fun!*
