On Sunday 6 March residents here at Woodstock Residential Care Home were getting ready for St Patrick's Day with a themed arts and crafts session.

We enjoyed a lovely, therapeutic afternoon of colouring in pots of gold and leprechauns. We carefully decorated them with lots of brightly coloured felt tip pens.

We also cut up strips of green tissue paper and scrunched them up into small balls to stick onto our clovers. We had so much fun being creative and chatting to friends!

We will display all of our masterpieces round our Home so everyone can see them in the run up to the big day; we are very excited for our **St Patrick's Day** celebrations on 17 March!

Lucky leprechauns, clovers and pots of gold!
