This week at Woodstock Residential Care Home we have been getting ready to celebrate the return of Wimbledon and cheering on England in their football match against Germany in the Euros.

We decorated our **Home** with **flags and bunting** and have had an amazing **Wimbledon-themed afternoon tea**, with strawberries and cream, pink fizzy wine and tennis-themed tables.

We've also been playing a giant game of balloon tennis! *Andy Murray has nothing on us!!*

Come on England!
