We were delighted to host Tina's Clothing Shop here at Woodstock Residential Care Home on Friday 18 October.

Tina's shop offers a wonderful variety of clothes for residents, staff and family members to buy, with an impressive selection of skirts, tops, jumpers and accessories in a range of colours and styles.

These events are a great way to bring the shops to us and our residents can have a look at items at their own pace and enjoy browsing and trying on pieces in a relaxed atmosphere.

Thanks for coming Tina, we all really enjoyed it!
