

Posted on October 27, 2021

On Tuesday 26 October we got our creative juices flowing with some Halloween arts and crafts with our residents at Woodstock Residential Care Home.

We used pumpkin templates and glued on screwed up orange **tissue paper** to create our masterpieces, with green tissue paper for the stems. We had a super time chatting and giggling together whilst we worked.

We will be displaying our finished pumpkin pictures around our **Home** for everyone to see, just in time for **Halloween!**
