Last week we've enjoyed celebrating three residents' birthdays at Woodstock Residential Care Home.

Frank and Christina both turned 92 and Enid celebrated her 86th birthday.

We had a party to celebrate their birthdays, with singer **Bruce Winters** performing all our favourite songs, and lots of great party food to enjoy.

Family and friends joined us to enjoy the fun and all three of our residents received a special birthday cake made by our Cook Lyn.

Many happy returns Frank, Christina and Enid!
