**We celebrated two birthdays on the same day last week here Woodstock Residential Care Home – Joan turned 96 and Lena 77 years young!**

Our staff joined Lena and Joan to celebrate their birthdays with **balloons, banners** and **plenty of cards**.

Our Chef made both our ladies wonderful **homemade cakes** to share with everyone over a lovely cup of tea (*Lena enjoyed her '18' candles!*) and our **Kitchen Assistant Katie** also made a **special puréed cake for Joan** so she didn't miss out on the delicious treat.

*Many happy returns ladies!*
