On Wednesday 16 October we celebrated two birthdays at Woodstock Residential Care Home. We wished 'many happy returns' to our lovely residents – Irene who turned 90 and Vera who turned 92.

Both ladies enjoyed partying with singer **Peter Kneebone** and residents, family and staff enjoyed singing and dancing along to his music.

They both had a beautiful cake made by our Cook, and enjoyed opening lots of presents and cards from everyone.

Happy birthday Irene and Vera - we are delighted you enjoyed your celebrations.
