On Friday 21 October, our Woodstock Residential Care Home team raised £60 for our 'Wear It Pink' Day to raise awareness for Breast Cancer.

Staff made a donation to this good cause to wear their PJs on the day for a bit of fun and we had lots of literature on hand highlighting how to know the signs and symptoms of breast cancer, to promote early detection.

Everyone enjoyed a pink-themed afternoon tea with pink cakes, pink feather bowers and pink sparkling drinks.

We also held a staff raffle with a chance to win a gorgeous hamper with everything pink; Kathryn was our lucky winner. *Well done Kathryn!*

We're always so happy to help with fundraising for important charities and our staff really make it fun and enjoyable for our residents.
