## NVQ success

At Woodstock Residential Care Home, we strive to keep our staff's knowledge up to date and encourage career progression within Nellsar.

So we were delighted to celebrate team member **Emma completing her Care NVQ Level 3 recently.**

She was presented with a beautiful bunch of **flowers** and some **yummy chocolate** to celebrate.

*Congratulations to Emma for this amazing achievement and all of her hard work!*

## Employee of the Month

We also recognised **Deputy Manager Paula**, for all of her hard work and **dedication to our Home**, as she received 'Employee of the Month' for March.

Paula received a lovely bunch of **flowers** and some **Ferrero Rocher**.

*Well done Paula!*
