**Congratulations to two of our dedicated staff members for being awarded 'Employees of the Month' in October here at Woodstock Residential Care Home.**

**Care Assistant Ashleigh** received recognition for always showing willingness to improve in her job role, and **Senior Recreation and Well-Being Lead Marina** was commended for booking and overseeing all our family visits.

Both were presented with a bunch of **roses** and **special certificate** from our Manager Nicola, for all their hard work.

*Well done ladies for your commitment and enthusiasm.*
