

*Posted on December 12, 2019*

**On Wednesday 11 December we took a group of our residents from Woodstock Residential Care Home to visit our local sister Home, Hengist Field, so we could share some activities.**

We were invited to join our friends at the **Home** to enjoy a pantomime performance of *Jack and The Beanstalk* in their lounge.

We were made to feel very welcome and it was lovely to see our residents sharing time together. We hope to share more activities in the new year.

***Thanks to everyone at Hengist Field for a lovely afternoon.***
