Our Woodstock Residential Care Home residents had a brilliant day on Tuesday 22 September, when we held a sponsored walk around our garden; we organised the event instead of our usual Coffee Morning to raise money for Macmillan Cancer Support.

Our **staff dressed up** in Macmillan green and we even had our own Fiona from Shrek in attendance for the day! We made a special 'Woodstock Sponsored Walk' banner for the occasion and enjoyed doing some face painting with our residents too.

Our residents and staff **ran, walked or were pushed in their wheelchairs around our garden**, with everyone really getting involved and embracing the spirit of fundraising.

Our ladies and gents were given a card with their name on, which was **stamped every time they completed a lap**. Family members kindly sponsored them 25p per lap. Our residents were unstoppable on the day, with many doing over twenty laps! *Fantastic!*

All our staff took part and our Manager Nicola was on hand to stamp cardsand make sure there was no overtaking or cheating going on!

A massive 'well done' to everybody for their fantastic efforts to raise money for such a worthy cause. And a great big thank you to our families for their support.

Well done to everyone for getting involved!
