**To celebrate VE Day, we held a special coffee morning here at Woodstock Residential Care Home on Wednesday 8 May.**

It was a lovely opportunity to socialise and reminisce together and we had lots on offer, including tea and coffee, a cake stall, Tombola and 'guess the weight of the cake' competition!

We were also delighted to welcome **singer Jasmine** to our **Home**. She sang a medley of songs from the wartime and we enjoyed singing and dancing along with her.

*Thank you to everyone who came and made it a memorable day.*
