

Posted on November 14, 2023

Our residents, relatives and team members at Woodstock Residential Care Home all took part in our golf-themed 'Par-Tee' on Wednesday 8 November to raise money for Macmillan Cancer Research.

Our Activities Team created some **beautiful hampers** and organised a **raffle** ready to be drawn at the event. Our team members and loved ones got in true golfing spirit by **dressing up** ready for a round of golf.

We had 9 holes of golf for everyone to work through, which included:

Test your skills and see if you could achieve a hole-in-one to win some chocolate
Guess the name of the teddy
Test your luck on the football scratch card
Handmade cards for sale, which had been created by a resident
Testing your target skills with our tea bag target game
Our raffle
Guess the weight of the cake that had brilliantly been created by our Cook Lynn
Treat yourself to a golf-themed cupcake
The last hole! Time to relax with a nice tea or coffee.

Our colleague **Amy** was awarded 'best dressed' and won herself a lovely mug with 'Time for Tee' written on it.

We are so grateful to everyone who made a donation. **We managed to raise a massive £322.89 and have also been in touch with Barclays who are going to kindly match our donation, making our grand total £645.78!**
