We were thrilled to receive a fantastic hamper of goodies last week at Woodstock Residential Care Home from our resident Kitty's family.

The hamper was full of delicious treats for our residents and staff to celebrate VE Day with, including some bottles of wine to enjoy at our party.

The hamper was accompanied by a lovely note;

"A gift for Kitty to share with her friends and the staff at Woodstock during the VE Day celebrations! Thank you all for your hard work."

Thank you so much to Kitty's daughter Sue for such a thoughtful gesture, we loved it!
