Our residents at Woodstock Residential Care Home had great fun last week, helping us to recreate some iconic TV moments.

On our photoshoot list this time were:

Del Boy from 'Only Fools and Horses' (David)

The 'secret lemonade drinker' from the R Whites Lemonade advert (Charles)

The lady from the Fairy washing up liquid advert (Wendy)

Captain Birdseye (Dudley)

There were lots of laughs as we used **different props** to bring these well-known looks to life.

The photoshoot was in honour of the **British Academy Film and Television Awards (BAFTA)** on Sunday, with some memorable moments from TV.

This is our second photoshoot; in our last session we recreated different pop groups.

We are looking forward to seeing what we can create next!
