

Posted on June 8, 2023

Wednesday 7 June marked National Chocolate Ice Cream Day, so naturally our Woodstock Residential Care Home residents didn't want to miss out on the opportunity to taste some yummy ice cream!

We crafted **delicious chocolate ice cream milkshakes** and added **chocolate sauce** to make them extra tasty. As we enjoyed drinking them, we watched 'Charlie and the Chocolate Factory' to keep in the chocolate theme.

Everyone enjoyed chatting about their **favourite memories** of having an ice cream by the beach. *We can't wait for our next tasty treat day!*
