On Wednesday 22 June our residents at Woodstock Residential Care Home enjoyed a cinema day with the choice of an Elvis film or to watch Mamma Mia on our big televisions.

Mamma Mia had everyone singing along to our **favourite ABBA songs** and it was a popular choice!

On the other side of our Home, we had an Elvis film playing, which took the eye of some of our **Elvis fans at Woodstock!** Everyone enjoyed chatting about their favourite Elvis songs afterwards and it was a lovely way to talk about our common interests.

Everyone loved tucking into their **popcorn** while enjoying the films. *Happy times!*
