**On Friday 2 September our residents from Woodstock Residential Care Home got together with residents at Hengist Field Care Home for a joint BBQ.**

This event **joined both Nellsar Homes** to recreate the **'Woodstock Festival 1969'** – with the themes of hippies, peace and love!

Both Homes' residents, Activity staff, Maintenance and Catering teams joined together to create a **fun-filled party** with **delicious BBQ food**, a **'Groovy bar'**, **festival huts** and **festival games**.

**Families and friends** came with us to celebrate the festival together and enjoyed a dance with singer and **musician Rob T.**

To prepare for this event our residents at Woodstock **tie-dyed some t-shirts** ready to wear. They enjoyed being creative and splashing the paint into patterns and seeing all the bright colours. Everyone had fun wearing them and looking groovy at the party.

*A great day, with a wonderful atmosphere!*
