As part of the coronation celebrations at Woodstock Residential Care Home, we entered a Nellsar-wide competition to design and make an eye-catching coronation crown.

Heading up the competition, **Nellsar's Recreation and Well-Being Manager Viv Stead commented:** *"The idea was to involve our residents in making something beautiful and memorable to display in their Home or garden that could be enjoyed by everyone for the coronation."*

Our residents made and decorated their own crowns to wear for the coronation and for our coronation party with relatives and friends. We used card to cut and make different types of crowns and then used paints, jewels, tissue paper and glitter to make them stand out and look royal!

Although we weren't crowned amongst the winners, we had **so much fun creating our wonderful crowns** which were perfect for our coronation celebrations.

The judges commented: *'Residents at Woodstock all enjoyed making a crown to wear on the day of the coronation. Each one was beautifully decorated with care and everyone chose their own styles to wear on the day.'*

Congratulations again to everyone at Woodstock involved in creating our fantastic entry for the competition.
