

Posted on June 8, 2021

On Monday 7 June we received two boxes of beautiful cakes from the Oasis School here at Woodstock Residential Care Home.

We have a wonderful relationship with this **local school** and are always so touched by their kind gestures and support.

Thank you to the students and Headteacher of the school for this **delicious gift – we are planning to have a lovely afternoon tea with the cakes in our garden**, which we know will be much appreciated by everyone.
