We were so touched recently when our resident Pete's relatives made all our staff at Woodstock Residential Care Home a beautiful Christmas hamper to share.

The hamper came with a lovely note to say; *"Please help yourself to something from the box. Thank you for all that you do. Happy Christmas. From the Pennington family."*

Everyone at **Woodstock** is so thankful for such a thoughtful gift – we will enjoy the tasty treats, toiletries, candles and stationery.

Huge thanks to the family x
