We were delighted to be able to commence our COVID vaccinations here at Woodstock Residential Care Home on Saturday 16 January, when our staff worked hard to ensure the smooth running of proceedings to make sure everyone got their jab successfully.

Our Manager Nicola was very pleased with how the day ran and **thanked our staff** team for making sure everything was so well organised.

She presented staff with **Prosecco and chocolates** as a thank you for all their hard work.

Nicola and Paula's thank you note
