

Posted on June 25, 2024

On Monday 24 June we had a lovely time with a group of young ladies from Tunstall School who were visiting to enjoy some activities with our residents here at Woodstock Residential Care Home.

Our residents made **bracelets**, **completed puzzles** and enjoyed **colouring** with the students. They took part in some **bowling**, **rings toss** and **bean bag games** together and one of our ladies loved looking after our interactive cat.

It was fantastic to see **both generations enjoying chats** about every day matters, and socialising together.

Thank you to the pupils of Tunstall School for their visit.
